## JANITORS VICTORIOUS

Justice Thompson Refuses to Sanction Their Ejection From Premises Supplied Them.

The janitors were victorious in the forcible entry and detainer suit brought against six of the ward school janitors by the city school board. Justice J. T. Thompson who had taken the case under advisement last Tuesday decided yesterday afternoon in their favor.

The case in which the decision was made was that against Allen Yetman, janitor at the Jefferson school. The other janitors, Charles Smith, H. G. Hockmeyer, Harry P. Brown, Guy Linton and Charles Brown, all say they will abide by the Yetman decision. This had been agreed upon before the Yetman case was tried.

The suits were brought by the school board when the ward school janitors refused to vacate the houses furnished them by the board. The janitors voiced their refusal to move on the grounds that the notice of dismissal was illegal and that they had been hired for another year.

Conceding for the school board gave notice of appealing Justice Thompson's decision to the district court.
